 Description: This group is aimed at a belief/idea, not people. The purpose of this group is not to wage personal attacks towards christians (people). However, the actions of these people will be criticized/scrutinized along with a belief/idea (Christianity) that motivates them.

There is no reason to believe that God, heaven, spirits, hell or the devil exists. Yet, there is no evidence against this supernatural realm. Just as there is no evidence against the existence of Zeus, Odin, Pixies, Krishna, Aphrodite, Santa Clause, Leprechauns, the Tooth Fairy, the Easter Bunny, the Care Bears, Banana's in Pyjamas or the Invisible Pink Unicorn.

The weapon of Christianity is fear. This group signifies the end of this irrational fear. This group is a call for reason.

Description:

This group was not made to attack the Judaism, it was just created to show the real facts about the CLAIMED holocaust that didn't really happen, and that Zionism was behind such a rumor that is a grander plot intended to facilitate the Allies in their intention to enable the creation of a Jewish homeland in Palestine.

Many Europeans were condemned because they deny the Holocaust, why? where's the freedom of speech they talk about? can't anyone say what he thinks even if that was based on facts?, is it considered a crime and deserves staying in jail for 5 years?

Of course not but Zionism Always wants to show the jews like the most humiliated nation on earth and that " jews are poor, help them, have pity on them, give them ur lands" and the poor europe and especially Germany, believes that cruel lie and lives with it and as a making up to the jews claimed holocaust , they take people who deny it to jail, and below we wil show facts of european revisionists (deniers) who denied the holocaust and had facts and proofs but was yet taken to prison , just because of the " poor jews who were murdered by Nazis" Big Lie!!

Vital Statistics (Niggerology 101)

There is more black-on-white than black-on-black violent crime.

Of the approximately 1,700,000 interracial crimes of violence involving blacks and whites, 90 percent are committed by blacks against whites.

Blacks are therefore up to 250 times more likely to do criminal violence to whites than the reverse.

Blacks commit violent crimes at four to eight times the white rate.

Hispanics commit violent crimes at approximately three times the white rate, and Asians at one half to three quarters the white rate.

Nazi Moorhuhnjagd

Moorhuhnjagd, the Nazi Duck Hunting Game, originally appeared in early 2001 on the **NSDAP** website. The game is now freely available on many racist websites. The object of this game is to shoot the Jews (depicted as ducks) and to avoid shooting one's Nazi comrades. Historic Nazi propaganda posters are featured as well as signposts pointing to Auschwitz and other Nazi concentration camps

How to Behead

How to Behead is a disturbing poem written by Samina Malik, a British citizen who was sentenced to nine months in prison for possessing material that is "likely to be useful to a person committing or preparing an act of terrorism." *IslamOnline.net* reprinted the poem and solicited reader's views on the subject. Malik, who describes herself as a "Lyrical Terrorist" won an appeal in 2008 and the Crown Prosecution Service declined to seek a re-trial.

The screenshot shows the website *IslamOnline.net* with a navigation menu and a search bar. The main content area displays the poem "How to Behead" under the "Literature Issues" section. The poem text is as follows:

How to Behead

How to Behead

"Hold him
 Tie the arms behind his back
 And bandage his legs together
 Just by the ankles
 Blindfold the punk
 So that he won't hesitate as much
 For on seeing the sharp pointy
 knife
 He'll begin to shake
 And continuously scream like an
 eedyat
 And jiggle like a jelly
 Trust me-this will sure get you angry
 It's better to have at least two or three brothers by your side

Confessions of a human bomb from Palestine

Published by the website Free Arab Voice, this essay is by Hujayra al Arabi, a Palestinian woman preparing to become a suicide bomber. She is quoted as saying, "Patience may be a virtue, but it has to be patience coupled with determination to win this war. Without determination we will cease to exist...We can wait patiently while they pick us off one by one, or we can go out to meet them. I choose to go out and meet them. That is what being a human bomb is about."

(Your Voice in a World where Zionsism, Steel, and Fire have turned Justice Mute)

Dear Readers of the Free Arab Voice,
We are proud to present to you a penetrating piece that goes into the personal and political makings of a human bomb. Hujayra al Arabi portrays the role a human bomb in the effort to deliver a simple, yet very eloquent, message. She makes no apologies for the state of mind our people have been driven into. Rather, she seeks to drive the point home by avoiding the third person. It's I, the human bomb herself, who speaks to you now... Thus began Hujayra...

Confessions of a human bomb from Palestine

by Hujayra al Arabi
Dedicated to my brothers and sisters in Resistance in Iraq, and in the Arab Nation

I do not want to die. I am not in love with death. I am not even 'half in love with careful death' like the English poet. I want to live. I want to have a home filled with children, and I still want to be a doctor. From the age of about six, I dreamed of becoming a doctor, of being able to save lives. I wanted to do something real that would save the lives of my people.

And yet, I see now that there are many ways of saving lives and that taking lives can be a part of the process of saving lives. That is where I am now, preparing to take lives in order to save my people.

The enemy likes to say that human bombs are cowards, that we do this in order to go to a paradise where virgins will fulfill our every wish. Well, for a start, I can prove them wrong on the virgin issue. I am a woman, and I have no interest whatsoever in being pleased by other virgins, thank you very much. The fact of the matter is that this is nothing more than stupid propaganda, like so many of the enemy's lies. The young men who become martyrs for our cause are not doing so in order to win virgins in the hereafter. Nor do we do this out of hatred for the enemy, although the hated is a thousand times deserved. We do it for love of the homeland and for

This is what is clarified by the following fatwa, issued by **Sheikh Yusuf Al-Qaradawi** the prominent Muslim scholar:

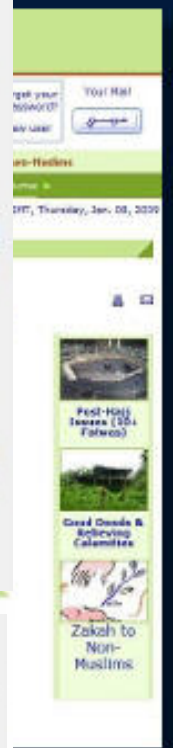

The

Jihad

The martyr operations is the greatest of all sorts of Jihad in the Cause of Allah. A martyr operation is carried out by a person who sacrifices himself, deeming his life less value than striving in the Cause of Allah, in the cause of restoring the land and preserving the dignity. To such a valorous attitude applies the following Qur'anic verse: **"And of mankind is he who would sell himself, seeking the pleasure of Allah; and Allah hath compassion on (His) bondmen."** (Al-Baqarah: 207)

But a clear distinction has to be made here between martyrdom and suicide. Suicide is an act or instance of killing oneself intentionally out of despair, and finding no outlet except putting an end to one's life. On the other hand, martyrdom is a heroic act of choosing to suffer death in the Cause of Allah, and that's why it's considered by most Muslim scholars as one of the greatest forms of Jihad.

Concerning the point on Hijab, a woman can put on a hat or anything else to cover her hair. Even when necessary, she may take off her Hijab in order to carry out the operation, for she is going to die in the Cause of Allah and not to show off her beauty or uncover her hair. I don't see any problem in her taking off Hijab in this case.

To conclude, I think the committed Muslim women in Palestine have the right to participate and have their own role in Jihad and to attain martyrdom.

9/11 - Arab or Zionist Hijackers?

Real Jew News is an antisemitic website presenting itself as an RSS newsfeed. This article, written by Br. Nathaniel Kapner, *9/11 - Arab or Zionist Hijackers?* compares Mohammad Atta, leader of the 9/11 hijackers to Jews on "suicide" missions. These include Baruch Goldstein who murdered 29 Arab worshippers in 1994, Yigal Amir, who assassinated Yitzhak Rabin in 1995, and Hannah Szenes, a Hungarian Jewish partisan who attempted to assist Jews in occupied Hungary in 1944. Szenes was arrested by Hungarian police and later executed by firing squad. Kapner also alleges that *Bat Ayin*, a Jewish group has carried out many suicide missions against Arabs in Israel.
